# PHILLIP SCHMIDT

## ARCHITECT AND URBANIST

Nationality: Brazilian/German  Age: 26

### ABOUT ME

Born in São Paulo, Brazil, I decided to move to Frankfurt, Germany in 2020 to look for new cultural experiences from learning the language to simply living and working. In my freetime I like to draw sketches by hand, watch movies, practice muay thai, play video games and I really enjoy walking around the city experiencing new places and taking photos with my Canon T7.

### QUALITIES
